#### Introduction

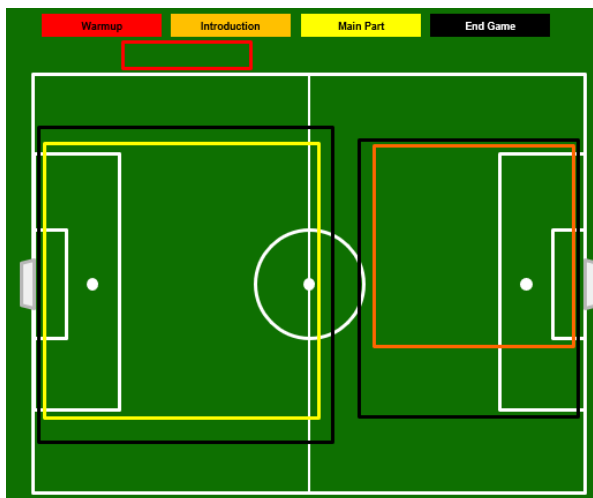

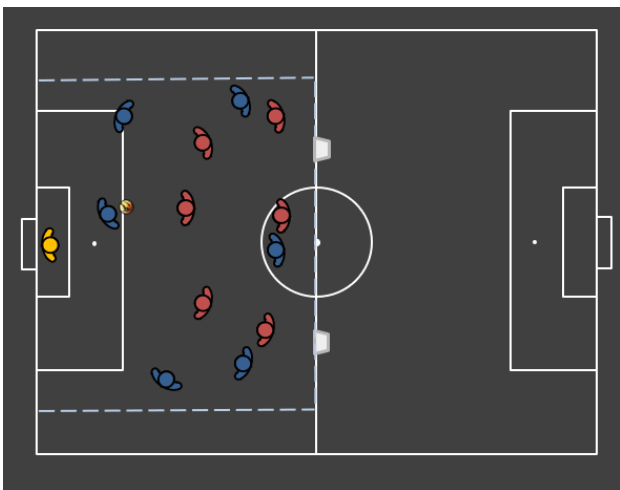

| Rules/explanation                                                                                                                                                                                                                                                                                                  | Coaching messages                                                                                                                                                                                                                                  |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>2 teams. 7v5 in each square.</p> <p>3v2, 1v1, 3v2 in the squares.</p> <p>Ball starts from back and try to get it to the other end.</p> <p>Starts with 3v2, each time you play through a square, 1 attacker moves forward.</p> <p>When is breaks down or you score reset the numbers.</p> <p>Swap regularly.</p> | <p>A session to remind of our build up principles.</p> <p>Play through the thirds – but ball and player goes to the next third.</p> <p>Ball moves forward, queue to move forward.</p> <p>Don't watch the ball go forward, and you stand still.</p> |
| Progressions                                                                                                                                                                                                                                                                                                       | Coaching points                                                                                                                                                                                                                                    |
|                                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                    |

| Players | Size      | Timing    |
|---------|-----------|-----------|
| All     | 16x35m    | 10-15mins |
| Scoring | Intensity |           |
|         | Low-med   |           |

#### Main part

| Rules/explanation                                                                                                                                                                                                                                                                                            | Tasks                                                                                                                                               |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>2 teams play the same shape/formation.</p> <p>Always +1 at the back and -1 up front.</p> <p>To make the balance work.</p> <p>Stay in the lines at first. The slowly lift the restrictions.</p> <p>Can't follow runner in first 5mins. When they start to get success, can say you can follow runners.</p> | <p>Players scanning to be aware what's happening around the ball.</p> <p>When ball moves forward it's your queue to go forward. Don't watch it.</p> |
| Progression                                                                                                                                                                                                                                                                                                  | Coaching point                                                                                                                                      |
| <p>You can also allow players to drop into help backwards.</p> <p>So it is not always about forwards.</p> <p>Help them understand you can move backwards to help go forwards.</p>                                                                                                                            |                                                                                                                                                     |

| Players        | Size      | Timing     |
